"Success comes to those who work hard and stays with those, who don't rest on the laurels of the past." It is indeed a great honour and it gives me immense pleasure to launch this first issue of Primary newsletter for the quarter April 2019 to Sep 2019. The Primary newsletter is truly representative of all the activities that were conducted in the primary section. Each issue of our newsletter is a milestone that marks our growth and showcases a wide spectrum of creative skills. I would like to convey my gratitude to all the members for their everlasting support throughout the creation of this edition. I would like to especially thank the staff, students, and parents whose efforts have made us extremely proud of all our accomplishments at the school and I look forward to the new heights that await this school. I congratulate the headmistress and the entire staff for their hard work and dedication by working round the clock to keep our School at the zenith of success. I thank you parents, in all humility for your generosity in time and resources.
